Earn Tuition Credits with Shop UMEI:

Shop UMEI offers a Tuition Credit Incentive to current and future UMEI students and their families.

How it works:

2.5% cash back goes towards tuition and 2.5% goes to the school's general operating account. As always, dollar for dollar value is received when purchasing from Shop UMEI. There are no minimum or maximum sales requirements, and no obligation at any time to continue with the program.

Order forms & more detailed information about the program are available at the UMEI office (Monday to Friday, 8 am to 4 pm) and Sawatzky, Balzer & Wiens Law Firm.

Available gift cards: FreshCo, Superstore, and Tim Hortons gift cards are always in stock. Additional gift cards for over 50 retailers are available to order – cash back percentages vary.
