Family Commitment

One way that UMEI attempts to make costs affordable to families is by running monthly Community Meals as a fundraiser. UMEI families are expected to work 20-25 hours per school year to help make these meals as cost effective as possible. By working these hours it creates a savings of \$1,000 per student that does not need to be added to tuition.

Financial Contract

Regarding the enrollment of my student, _____, I understand the following:

1. Accounts need to be paid according to the financial arrangements made with the school.
2. Meeting the expectation of volunteering at the monthly fundraising meals according to the schedule put out at the beginning of the school year.
