

Transportation – Carpooling

Carpooling with other UMEI families is one of the many rich traditions while attending the school. Instead of a centralized transportation program, our families share responsibilities, if they are able, to bring students to and from the school each day. Carpooling is an excellent time for students to share stories about their day and even talk about some of their homework they may have that evening.

We understand that this program may not be for everyone enrolling their child(ren) at UMEI due to many different circumstances. With that being said, Carpooling is a very important aspect to our school and if you are able and willing to help with this program, your efforts will be appreciated.

Please fill out the form below and return it with the rest of your Enrollment Package.

Thank you,

Yes, I would like to participate in the Carpooling program at UMEI

No, I would not like to participate in the Carpooling program at UMEI

If you answered yes to the above question, please fill out the remainder of this form.
